product description

The yellow water slide body is yellow in color and is composed of red swimming. There are two slides, one straight and one curved, and there are handrails next to the two slides, which protects the children's safety. There is a small swimming pool of 0.5m high at the bottom. The size of the swimming pool is designed according to the slide. At the bottom there is a small swimming pool 0.5m high, the size of the swimming pool is designed according to the slide. The size of the swimming pool and slides can be designed and produced according to your site and needs. If your venue is large enough, putting a water toy in a larger swimming pool can bring more fun to the kids.
