How to order	1.You tell us your demands, we give you a simple design 2.You pay 50% of total price as a deposit to get order started. 3.We give you detailed designs, and begin to produce after we confirm everything with you, including materials, shapes, sizes, logos etc. 4.We will test for hours and take photos for your confirmation, then put it away into bags, we will make the amendments during testing 5.When the order is confirmed, you pay the balance, then we arrange the shipment.

Description:

1 Material: It is made of 0.55mm thickness pvc coated tarpaulin. All the material we use is from PLATO CHEMICAL which is the best and biggest material supplier in China. PVC tarpaulin has 3 layers, 2 layers pvc with 1 layer strong net inside, waterproof, fire-retardant and high durability. The material has been certificated by CE, EN14960, SGS, EN71, ROHS.

2 Workmanship: It will be stitched by sewing machine. Everywhere double stitching and the sensitive areas will be quadruple stitched. All the items will be well done by experience workers and they all have a long service life, at least 4-5 years.

3 Shipping: Water slide is very heavy, for this model, at least 400KG. We suggest you choose the shipping way by sea, as it is much cheaper than by air or by Express. But if you need it urgently, you can choose by air. You need let me know which airport is nearest to you, then I will calculate the shipping fee to you.

4 Payment: T/T, Western Union, PayPal. About the payment terms, you need to send us 50% deposit to get the order started. When the items are done, we will take pictures and send you for checking. If no problem, you can send us the balance and we will arrange the shipping for you.

5 Design: Its design is very graceful and fantastic. Actually, it is specially designed for water park and swimming pool. If you want to build a small water park, you can buy one big swimming pool around 25m diameter with 2-3 pcs water slide, then it can hold 50-100 people playing inside at a time.

Advantage:

1 The brand of the material we use is PLATO CHEMICAL which is the best and biggest material supplier in China.

2 All our items will be finished by double stitching or sealed, and all the key areas will be reinforced.

3 All of our products can be customized, including material, size, logo, printing, design and so on.

4 The material will be cut by machine not by hand, so we can offer you a fast delivery.

5. We have more than 10 years' production experience and many rich-experienced technical workers, so you can get best quality goods.

6. Our factory has 5000 workshop, advanced imported machine and best quality accessories.

7 Before shipping, all the items will be tested strictly to make sure it works well.

8 Advanced auto machines and trade assurance for the goods' quality and on time shipping.
